HOW MANY PARANOIDS DOES IT  
TAKE TO CHANGE A LIGHT BULB?  
WHO ARE YOU, AND WHY DO YOU  
WANT TO KNOW?

A police car pulled me over near the high school where I teach. As the officer asked for my license and registration, my students began to drive past. Some honked their horns, others hooted, and still others stopped to admonish me for speeding.

Finally the officer asked me if I was a teacher at the school, and I told him I was.

"I think you've paid your debt to society," he said with a smile, and left without giving me a ticket.

Mrs. Hunter was called to serve for jury duty, but asked to be excused because she didn't believe in capital punishment and didn't want her personal feelings to prevent justice from running its proper course. But the public defender liked her thoughtfulness, and tried to convince her that she should serve on the jury.

"Madam," he explained, "This is not a murder trial! It's a simple civil lawsuit. A wife is bringing this case against her husband because he gambled away the \$12,000 he had promised to use to remodel the kitchen for her birthday."

"Well, okay," agreed Mrs. Hunter. "I'll serve. I guess I could be wrong about capital punishment after all!"

"Oh, dear," the mother nervously sighed. "What happened, honey?"

"Nothing, he made me wait 45 minutes and then double-billed the insurance company."

A man is driving with his wife at his side and his mother-in-law in the back seat. And the women just won't leave the poor guy alone.

His mother-in-law says,  
"You're driving too fast!"

His wife says, "Stay to the left!"

After several more orders from both of them the man breaks down and barks at his wife, "Who's driving this car -- you or your mother?"

A guy walks into a post office one day to see a middle-aged, balding man standing at the counter methodically placing "Love" stamps on bright pink envelopes with hearts all over them. The balding man then takes out a perfume bottle and starts spraying them all.

His curiosity getting the better of him, he goes up to the balding man and asks him what he is doing. The man says, "I'm sending out 1,000 Valentine cards signed, 'Guess who?'"

"But why?" asks the man.  
"I'm a divorce lawyer."

**When in doubt,  
poke it with a stick.**

As a professor at Texas A & M, I taught during the day and did research at night. I would usually take a break around nine, however, calling up the strategy game Warcraft on the Internet and playing with an on-line team.

One night I was paired with a veteran of the game who was a master strategist. With him at the helm, our troops crushed opponent after opponent, and after six games we were undefeated. Suddenly my fearless leader informed me his mom wanted him to go to bed.

"How old are you?" I typed.

"Twelve," he replied. "How old are you?"

Feeling my face redden, I answered, "Eight."
